

Parag Kundargi

Product Research / Product Design Engineer / Apps Design (Firebase)

Email: nalonilo108@gmail.com | Mobile: 9405843108 | Pune, India

Professional Summary

I specialize in material design and 3D product research with a strong focus on eco-friendly and sustainable materials. My expertise includes in-depth research into product materials, cost analysis, and design innovation to support clients in creating high-quality, market-ready products. I deliver well-researched, functional, and user-centered solutions, with a proven track record in UX/UI design, AI-driven application development, and sustainable product strategies.

Core Skills

Photoshop CC Illustrator CC Figma Adobe XD
